Teacher's Report: Kristin Jordan/Kelsey Smith

- We have had some cool opportunities come up in the last week.
 - Freddie DeLeon (Native American rep) came and gave a presentation to the staff.
 - Our Life Skills teachers are working on our district becoming unified. They have a track event coming up in April and our school is doing a field trip to the Savage Dome. They will walk there and each of them will bring a classmate along.

Principal's Report: Jennifer Molitor

- Our plan is for Glendale to become a full unified school. For starters, have the field trips planned this year. A lot of our students are earning CARES tickets to go spend time with our Life Skills kids. We are excited to continue the journey on a bigger scale.
- Thank you for the conference dinner. All of the staff loved it.
- Early Release tomorrow. The staff will be here working on 'A Profile of a Learner' - what does that look like at PLSAS? How do we keep up on our ever changing society? We will have a presentation from a group called World Savvy and we will discuss what we want our profile of learners for our students to look like.
- Author visit March 12.
- We usually have a Read a Thon month in February but we didn't this year. Ms. Z and Ms. Demers are putting a fun event together to get our students to read more during the month of March.
- Everyone is loving the culture quilt. Thank you to everyone who participated. It's been a lot of fun!
- Spring weather has given us opportunities to get outside for our breaks.
